

Windows over Philadelphia

For more than 60 years, Wausau Window and Wall Systems® products have been part of the unique architectural ambiance of the “The City of Brotherly Love,” whether for historically accurate renovations, high-value office buildings, premium high-rise residential space or the nation’s leading universities. Design teams throughout eastern Pennsylvania look to Wausau for operable architectural windows, curtainwall systems, balcony doors and sun accessories.

Whether your project calls for standard Advantage by Wausau® products or highly-customized engineer-to-order fenestration, Wausau windows and curtainwall meet cold-climate technical challenges for weather-ability, thermal transmittance and condensation resistance. Custom capabilities are backed by more than 1,000 years of combined design experience, as well as in-house structural engineering and a modern, LEED-Silver certified manufacturing facility.
